National Urdu Seminar on "Literature, Humanities, and Society" Held at SCS GDC Mendhar

A National Urdu Seminar on the theme "Literature, Humanities, and Society" was successfully organized at SCS Government Degree College, Mendhar on 31st October 2018. The event, graced by distinguished scholars, faculty members, and students, provided a platform to delve into the critical relationship between Urdu literature and its influence on society and the humanities.

The seminar was inaugurated by **Prof. Shabir H. Shah**, Principal of SCS GDC Mendhar, who highlighted the significance of literature as a powerful medium of social reflection and transformation. In his address, he emphasized the importance of Urdu literature in preserving cultural heritage, promoting humanistic values, and addressing contemporary societal challenges.

Prominent Urdu scholars from across the country delivered thought-provoking presentations. **Dr. Mohd Latief Mir**, HoD Urdu and a renowned intellectual from college, spoke on "The Role of Urdu Literature in Shaping Societal Values," exploring how literary works have historically reflected the concerns, aspirations, and struggles of various communities.

OFFICE OF THE PRINCIPAL
SCS GOVERNMENT DEGREE COLLEGE MENDHA
(NAAC Accredited with Grade B)

The seminar also featured an interactive session where students and participants engaged in discussions on the evolving role of humanities and literature in addressing issues such as gender equality, social justice, and cultural integration.

A large number of students and faculty members including teaching and non-teaching staff of the college actively participated in the event.

The event concluded with a vote of thanks delivered by **Prof. Sarshad Hussain**, convener of the seminar, who expressed gratitude to the participants and organizers for making the event a resounding success. The seminar fostered rich intellectual discourse, reinforcing the crucial role that literature and the humanities play in shaping an equitable and inclusive society.

The event was widely appreciated and served as a significant contribution to the academic and cultural life of the institution and the broader community.

Departments of Physics and Computer Application of Government Degree College Mendhar jointly organized two days workshop on Virtual Labs Awareness

Departments of Physics and Computer Application of Government Degree College Mendhar jointly organized two days (15th -16th December,2020) workshop on Virtual Labs Awareness in the College Premises. Prof. Dileep Kumar Raina principal of the college is the chief patron and Dr. Mohd Shafiq Convener IQAC is the patron of this workshop. In the inaugural session of workshop Prof. Rizwan Ahmed Khan, Nodal Centre Coordinator defines the concept and usage of virtual lab and Prof. Waseem Akram Nodal Technical coordinator presents the formal welcome address for the workshop. Virtual Lab is a Remote Experimentation Platform for Science and Engineering. The objective of this workshop was to introduce the world of virtualization and trace the development of Virtual Labs.

Prof. Dileep Kumar Raina inaugurated the Workshop and asserted that this Workshop will act as a motivational factor for the students and help them to utilize the maximum resources available all over the world. Dr. Mohd Shafiq in his talk said that our main focus of the workshop was to introduce practical skills and impart practical knowledge to students through virtual labs.

The workshop is attended by all the faculty members of the teaching and non-teaching community and a large group of students. The inaugural session was ended with the vote of thanks by Dr. Mahroof Khan from the Department of Botany.

In the next session Prof. Rizwan Ahmed Khan gives a demonstration of measurement based experiments, module-based experiments and remotely triggered experiments. The students were also explained how to create experiments on their own and upload it on virtual labs.

He shared his useful experiences and valuable knowledge with the students. He discussed all the aspects of Virtual Labs starting from the basics like the need of Virtual Labs, who can use it and the motivation behind the development of virtualization. He added that Virtual labs are on-demand; provide integrated learning and gives freedom to make mistakes. The students from various branches were able to learn the basics of Virtual Lab set-up and also its implementation. Step by step interactive session, computer generated presentations and live demonstration of a pre-established Virtual Lab were used in the pedagogy.

Later on Prof. Waseem Akran explains the step by step method of registration of students on IIT Bombay Virtual lab Platform. He manages hand on session for practicing and familiarizing the students with the IIT Bombay Virtual Lab web portal. Around 45 students have registered and successfully submitted their feedback for the experiments they learned through virtual lab in this workshop. Students who successfully submitted their feedback have received e- certificates for participating in this workshop.

Prof. Dileep kumar Raina appreciated the efforts of the organizing team in his concluded remarks and explains students that this type of workshop will really benefited for all students irrespective of streams. The workshop ended with the vote of thanks presented by Prof. Rizwan Ahmed Khan.

Department of Geography Organizes Student Seminar on "Climatology" at SCS GDC Mendhar

The *Department of Geography SCS Government Degree College, Mendhar* organized a student seminar on *Climatology* on 23rd December 2021. The seminar focused on the importance of climatology in understanding environmental changes and addressing contemporary global issues such as climate change, extreme weather events, and sustainable development.

The event was inaugurated by **Dr. Dalip Kumar Raina**, Principal of SCS GDC Mendhar, who stressed the relevance of climatology in today's world. In his inaugural address, he discussed the need for young scholars to engage with topics like climate change and its implications for both local and global ecosystems. Dr. Dalip Kumar Raina also applauded the Department of Geography for organizing a seminar that is both timely and essential for students' academic and practical understanding.

The seminar featured insightful presentations by students, who covered various aspects of climatology. **Raza Ahmed** presented on "The Role of Climate in Shaping Human Settlements," explaining how different climates influence population distribution and agricultural practices. **Rabia** discussed "Climate Change and Its Socioeconomic Impacts," highlighting the challenges posed by rising temperatures, changing weather patterns, and the resulting impact on economies and livelihoods. Another notable presentation by **Inzamam** focused on "Mitigation Strategies for Climate Change," outlining solutions such as renewable energy adoption, afforestation, and sustainable urban development.

The seminar also included an interactive session where participants engaged in discussions on the role of individuals, communities, and governments in combating climate change. Students and faculty alike raised critical questions about the responsibility of various sectors in mitigating climate-related risks and the importance of climate education in building a resilient future.

Dr. Zulafqar Ali Shah, Head of the Department of Geography, concluded the seminar with a vote of thanks, expressing gratitude to the participants, faculty, and organizers for their contributions to the success of the event. He emphasized the department's commitment to continuing such academic initiatives that deepen students' understanding of critical environmental issues.

The seminar was widely appreciated for encouraging student participation and enhancing awareness of climatology's role in shaping sustainable societies.

Three-Day Practical Workshop on Cartography Organized by Department of Geography, SCS GDC Mendhar

The Department of Geography SCS Government Degree College Mendhar successfully organized a three-day practical workshop on "Cartography" from February 21 to 26, 2022. The workshop aimed to enhance students' understanding and skills in map-making and geographical data visualization, equipping them with hands-on experience in modern cartographic techniques.

The workshop attracted participation from a diverse group of students and faculty members, offering them an opportunity to engage with experts in the field. Renowned geographers and cartography professionals conducted interactive sessions on various topics, including map design principles, the use of Geographic Information Systems (GIS), digital cartography, and the application of modern tools in map-making.

The Principal of SCS GDC Mendhar, Dalip Kumar Raina, inaugurated the workshop, emphasizing the importance of cartography in geographical studies and the significance of such practical training for students pursuing higher education in the field of geography. He applauded the Department of Geography for organizing this initiative, which will play a crucial role in enhancing students' employability and research skills.

The workshop concluded with a hands-on project where participants created thematic maps, applying the skills and knowledge gained over the three days. The closing ceremony was graced by the presence of several dignitaries, including **Dr. Mujahid Ul Islam**, who delivered the keynote address on the future of cartography in digital age.

The event was widely appreciated for its interactive and insightful sessions.

Two-Day Student Seminar on "Global Warming" Organized by the Departments of Geography, Physics, and Environmental Science at SCS GDC Mendhar

The Department of Geography SCS Government Degree College, Mendhar, in collaboration with the Departments of Physics and Environmental Science (EVS), successfully organized a two-day student seminar on "Global Warming" from 2nd to 3rd March 2022. The seminar aimed to deepen students' understanding of global warming, its causes, and its profound impact on the planet, while also exploring potential solutions to this pressing global issue.

Dr. Dalip Kumar Raina, Principal of SCS GDC Mendhar, inaugurated the seminar, emphasizing the importance of interdisciplinary approaches to studying global warming. In his address, he stressed the need for collective efforts at academic, societal, and policy levels to combat the adverse effects of climate change. He praised the initiative of the three departments in organizing this seminar, which brought together perspectives from geography, physics, and environmental science.

Over the two days, students from various departments presented their research and insights on topics related to global warming. **Saika Khanam**, from the Department of Geography, presented a talk on "The Geographical Impacts of Global Warming," detailing how rising temperatures are affecting glaciers,

sea levels, and weather patterns worldwide. **Amir**, from the Department of Physics, gave an insightful presentation on "The Physics behind Global Warming," explaining the greenhouse effect and the role of atmospheric gases in trapping heat. **Neghit**, from the Department of Environmental Science, focused on "Biodiversity and Global Warming," exploring how global warming is leading to the extinction of species and the disruption of ecosystems.

The seminar also included panel discussions featuring faculty members from the three departments, who highlighted the interconnectedness of scientific disciplines in addressing global warming. They discussed the need for innovative technological solutions, policy changes, and awareness-raising efforts to mitigate the impact of global warming.

A special interactive session allowed students and faculty to engage in thought-provoking discussions on topics such as renewable energy sources, carbon footprint reduction, and the role of international cooperation in addressing climate change. The session encouraged active participation from students, who posed questions and shared ideas on how young people can contribute to climate action.

On the second day, **Dr. Zulafqar Ali Shah**, Head of the Department of Geography, delivered the closing remarks, expressing appreciation for the active involvement of students and faculty members. He highlighted the success of the seminar in fostering a deeper understanding of global warming and its far-reaching effects, as well as the importance of continuing such academic initiatives to inspire future climate leaders.

PT NEWS SERVICE
TAHIR ALI KAZMI

The resource person was Prof. Dr. Ampu Harikrishnan Pro Vice Chancellor Himalayan Gharwal University , Utrakhand.

Learning in the context of COVID 19 pandemic has been a challenging task for both students and teachers. It has forced teachers and students to go Online for all teaching-learning activities. The Webinar highlighted various ethical issues concerned with this paradigm shift in education sys-

tem since past two years. The inaugural session of webinar commenced with welcome note by Prof Asrar Ahmed , Head Department of Sociology.

About 250 participants from different Colleges and Universities have participated in Online Quiz competition namely, Himalayan Garhwal University Utrakhand, BGSBU Rajouri, University of Jammu, PG College Rajouri, GDC Thanamandi, GDC Poonch, GDC Surankote , Himalayan Degree College Rajouri , GDC Mandi, GDC Budhal and GDC Mendhar.

Worthy Principal GDC Mendhar and Chief Patron of the Programme, Prof. Dileep Kumar Raina welcomed the Resource person and highlighted the importance of Online education system in context of this Global pandemic . He further appreciated the efforts of Prof. Asrar Ahmed and team in

organizing such student centric event. As these types of events will help students as well as teachers in adaptiong the new , teaching- learning process and also enhance their skill and knowledge during this pandemic period.

The resource person Prof. Dr Ampu Harikrishnan discussed in detail various issues concerning online education, He said that online education system is here to stay with us even after the pandemic is over. There are certain critical ethical issues in online education like- access to intellectual property, privacy, protecting children and securing information that occur due to the use of electronic media. He further stressed that there are challenges for both e-learners and e-teachers which need immediate solutions.

According to DoT government of India report 2019, 43000 villages are yet to be digitally connected. Basic ICT infrastructure is yet to reach remote educational institutions.

The event was concluded with a formal vote of thanks by Prof. Waseem Akram , HoD Computer applications. The Technical support was provided by Prof, Javed Manzoor, Prof Waseem Akram, Prof Mohd Razaq and Dr. Rouf Wagey.

apidated Condition

case of emergency due to the bad condition of the road, it takes two or three hours to reach Kulgam. No attention was paid towards the damaged road as the road is in dilapidated condition and this road badly needs black topping. Some drivers refuse to ferry passengers in this area due to dilapidated road. There are innumerable potholes on the road which cause much hardship to road users. Now the residents of this area are fervently appealing to Sh. Manoj Sinha Honourable LT Governor of J&K and concerned authorities for black topping of this road as soon as possible.

Report with Photo

Mendhar, February 02: under the overall supervision and able guidance of Dr. Mohammad Azam, Principal GDC Mendhar, the Department of Botany, GDC Mendhar in collaboration with Department of Geography and Department of Physics organize one day seminar on the topic “**World Wetlands Day**” on 02/02/2023.

The seminar begun with welcome address by Prof. Rizwan Ahmed Khan HOD Physics, he gave a brief introduction on the topic. Prof. Mohd Razaq HOD Botany, delivered complete lecture on wetlands, World Wetlands Day is celebrated every year on February 2nd to raise public awareness about the advantages of wetlands as an integral part of our ecosystem. Wetlands help in absorbing floodwater, replenish clean water, filter waste pollutants, provide green spaces, and are a source of livelihood to many. People around the world, government, and non-government organizations, researchers, scholars, school children, youths, etc come together to observe the day with an aim to create awareness on wetlands as a vital link to humanity. Wetland is the area where water plays an important role in controlling the environment. World wetland day is celebrated on 2 February every year. It is celebrated on 2 February due to the treaty of Ramsar convention was signed on this day in 1972. For the conservation of natural resources world’s wetlands day is celebrated. These Ramsar sites are also called wetlands. The Contribution of wetlands includes the quality and quantity of fresh water on earth. Wetlands include swamps, lakes, ponds, marshes, mangroves, coral reefs, etc.

A large number of students and faculty members including, Dr. Asad Imran, Dr. sayeeda Bhatti, Mr. Rashid Ahmed and Mr. Ashiq Ali Haqla attended the seminar. Principal GDC Mendhar illuminate that such type of programs/seminar are need of hour for the benefit of students. Formal vote of thanks was presented by Dr. Zulafqar Ali Shah HOD Geography GDC Mendhar.

SSM Govt. Degree College Mendhar organized an Extension lecture on "Krishan Chander"

May 9: Shri Chotte Shah Memorial Govt. Degree College Mendhar organized seminar on the topic "Krishan Chander k fiction mei kheta-e-peer Panchal ki Akasi" (Pir panchal region in the fiction of Krishan Chander). The programme was organized by the Department of Urdu in Collaboration with the Department of Political Science. Dr. Raza Ahmed, lecturer in Urdu from GDC Shopian was invited as guest speaker who widely shed light on the life sketch and writing of Krishan Chander. This programme was a part of the series of events being organised under the banner of "Azadi ka Amrit Mahotsav" and G-20 with the supervision and coordination of Dr. Refhit Naz Kouser Kouser HOD Urdu and Prof. Murtaza Ahmed HOD Political Science. Dr. Mohd Shafiq, Convener IQAC presided over the programme. During his deliberation Dr. Raza Ahmed highlighted the reflection of the culture, geography and history of undivided pir panjal in the writings of Krishan Chander. He also discussed the various phases of life of Krishan Chander with special focus on his remarkable and memorable days spent in Poonch and Mendhar area of this region. The expert said that Krishan Chander was a proud son of soil whose writing is full with the events, culture, local dialects, geographical features and life style of the people of this region. While talking about the mental and emotional attachment of Krishan Chander with this area he also highlighted the various events and rituals reflected by Krishan Chander in his fiction. While paying homage to the legend, acting principal of the College Dr. Mohd Shafiq appreciated the decision of J&K government for renaming the Degree College Poonch after the name of Krishan Chander. The Program was ended with the formal vote of thanks presented by Dr. Rifhat Naz Kouser, HOD Urdu. She also impressed upon the students to go through the Books of Krishan Chander, available in the college library and know about the different aspects of society and culture through his fiction.

The other dignitaries who joined the programme were Prof Mohd Akram HOD Education, Prof Ayaz Ahmad Choudhary HOD English, Dr. Tabarak Amin Khan HOD Economics, Dr Shakeel Ahmed Assistant Professor of Chemistry, Prof. Waseem Akram HOD Computer Science and Mr. Zahid Ahmed from Department of English.

every individual responsibility to cover up upcoming NAAC. The occasion was started with the Welcome note, presented by Dr. Mohd Shafiq, convener IQAC. Experts and resource persons presented the papers regarding NAAC preparations and shared their lofty ideas and experience regarding the preparation of NAAC, preparation and submission of SSR and IQAC. The workshop was organised under the overall supervision of Dr. Mohd Azam, Principal of the college. Who also presided over the technical sessions. Dr. Jasbir Singh GDC, Surankote was invited as Chief Guest, who recently took over his college to a successful accreditation of B++. In his key note address, he threw light on the importance of NAAC and shared his experience on its criteria with an emphasis to accelerate every individual to be present with his/her mind as NAAC has taken now a shape like every common prerequisite activity. However, his benedictions to the staff of Govt. Degree college Mendhar for their incredible role in getting an outstanding B++ status in recent NAAC. He also put emphasis on how IQAC convener is a backbone and oxygen for NAAC and how much competent a college is depending upon the successful grade of NAAC to that college. With the commencement of 2nd technical session Professor Sarshad Hussain, the NAAC expert and convener IQAC, threw light on his experience through Ppt with bullet points of prerequisite NAAC 7-point criteria. He also put things on board that it is an individual responsibility and every committee should get on toe to contribute for successful NAAC accreditation with optimum output. Prof. Waseem Akram from GDC, Surankote also shared his expertise regarding the topic in the third technical session. In his presidential address, Dr. Mohd Azam, principal of the college stated that it is sine qua non for every stakeholder to get involved to give new height to this reputed higher education institution. He felt a need to adopt the good practices like rain water harvesting, waste management, Vermicompost and use of solar energy etc. He congratulated staff and students of GDC, Surankote and expressed hope for GDC, Mendhar to get best grade in upcoming NAAC. Prof. Rizwan Ahmed HOD Physics conducted the whole programme in a smooth way. While Prof. Murtaza Ahmed HOD Political science acted as rapporteur of the whole technical sessions. At the end Prof. Mohd Akram, staff secretary, presented Vote of thanks. The other dignitaries who participated in the programme were Prof. Showket Hussain, HOD Chemistry, Prof. Slaim Ayaz Rather, HOD zoology, Prof. Ayaz Ahmed Choudary HOD English, Prof. Javid Manzoor HOD Environmental science, Prof. Waseem Akram HOD computer science, Dr. Shakeel Ahmed, Dept. Of chemistry, Dr. Zulifikar Ali HOD Geography, Dr. Tabarak Amin Khan HOD Economics, Prof. Asrar Ahmed HOD Sociology, Prof. Mohd Razaq HOD botany, Mr. Mohd Alyas. Nevertheless, almost 150 Teaching, Non-Teaching staff and the students were attended the workshop with zeal and zest.

"SCS GDC Mendhar Organizes Workshop on Swachhta and Sustainable Practices"

SEPTEMBER 27, 2022: Government Degree College Mendhar yesterday organized a one-day workshop on promoting Swachhta and sustainable practices in higher education institutes. The event, held under the aegis of the Swachh Bharat Abhiyan and the Ministry of Education's initiatives, brought together experts, faculty, and students to discuss ways to foster a cleaner and greener environment. Principal Dr. Mohd Azam inaugurated the workshop, emphasizing the institution's commitment to integrating Swachhta and sustainability into its curriculum. "We aim to inspire our students to become ambassadors of cleanliness and sustainability," he said. NSS Programme Officer Dr. Rehfit Naz Kosar stressed the significance of community participation in maintaining cleanliness and adopting sustainable practices. "Every individual has a crucial role to play in protecting our environment," he added. The workshop featured a panel discussion, where experts and participants explored strategies for implementing sustainable initiatives in educational institutions. Over 78 NSS Volunteers attended the workshop, which concluded with a pledge to promote Swachhta and sustainability in their respective institutions.

09th, November ,2023 SCS Govt. Degree College Mendhar in a remarkable gathering of esteemed individuals, academia, and students, organised an Inter collegiate seminar on "Food loss and waste production- food preservation". The seminar was organised by the department of Botany, Geography and NCC units of SCS Government Degree College Mendhar under the supervision of Dr Mohammad Azam, Principal of the college. Dr Maroof Khan took the proceedings of the program. He expertly guided the proceedings throughout the program, ensuring that every aspect was thoroughly explored. The objective of the program aimed to address the pressing issue of food loss and food waste while promoting sustainable practices in the realm of food preservation.

The event commenced with an eloquent welcome address delivered by Dr. Sharshad Hussain, Coordinator IQAC, setting the tone for an engaging and enlightening discourse on this crucial subject.

The issue of food loss and waste production has been a growing concern in recent years. In light of this, a panel discussion was held to discuss the issue of food preservation. The panelists included Dr. Ashiq; Dr. Jasbir Sing, Principal of Poonch College; Prif. Shabir Hussain Shah, Ex-principal of Higher Education.

Dr. Ashiq, HoD Botany from GDC Thannamandi spoke about the importance of food preservation and how it can help reduce food loss and waste production. He emphasized that food preservation techniques such as canning, freezing, and drying can help extend the shelf life of food products and reduce food waste.

Dr. Jasbir Sing, Principal of Poonch College, spoke about the role of education in reducing food loss and waste production. He stressed the importance of educating people about the value of food and how to reduce food waste in their daily lives.

Prof. Shabir Hussain-Ex-principal of Higher Education, spoke about the need for government policies to address the issue of food loss and waste production. He suggested that governments should provide incentives to farmers and food producers to reduce food waste and promote sustainable food production. The panelists agreed that food loss and waste production is a serious issue that needs to be addressed urgently. They called for a collaborative effort between governments, food producers, and consumers to reduce food waste and promote sustainable food production.

A highlight of the event was the presence of the esteemed District Commissioner of Poonch, who graced the occasion as the chief guest. D.C.Poonch Mr Yasin M Choudhary digitally inaugurated the College Tarana and delivered an insightful speech on sustainable development and its direct impact on combatting food loss and waste production. The

commissioner also interacted with college students present at the event, inspiring them to become ambassadors for change in their communities.

Dr. Mohd Azam-Principal Degree College Mendhar, spoke about the role of technology in reducing food loss and waste production. He highlighted the importance of using technology to improve food storage and transportation, which can help reduce food waste.

To acknowledge and appreciate their invaluable contributions to society, certificates were presented to renowned staff members and distinguished guests who have made significant strides in promoting sustainable practices within their respective fields.

Furthermore, as a gesture of gratitude towards all participants and attendees, heartfelt thanks were expressed by Dr Imtiyaz Ahmed during his vote of thanks. This served as a reminder that collective efforts are necessary to combat food loss and waste production effectively. He said that the event successfully shed light on the critical issue of food preservation within our society while highlighting sustainable approaches that can pave the way towards a more efficient future in food consumption. By coming together and sharing knowledge, it is our belief that we can create lasting change to minimize food loss and waste production globally.
